abenz@waukesha.org

## Local, state and national leaders get together to discuss national policies, the state budget

**Who:** Waukesha County Business Alliance; Rep. Robin Vos (R-Rochester), Speaker of the Assembly; Rep. Gordon Hintz (D-Oshkosh), Minority Leader; John Kirchner, executive director of congressional and public affairs for the Midwest region, U.S. Chamber of Commerce; Scott Manley, senior vice president of government relations for Wisconsin Manufacturers and Commerce (WMC) and Brian Taffora, principal at Michael Best Strategies

**What:** Local, state and national speakers will give an overview of both state and federal policies and politics, including the state budget.

**Where:** Generac Power Systems, Kern Auditorium, S45W29290 WI-59, Waukesha

**When:** Wednesday, March 27, 2019 from 8:00 – 9:30 a.m.

**Why:** This is the first policy program the Alliance has hosted since the new administration started, so there is a new dynamic with a divided government. On a state level, now that the Governor's budget has been introduced, it will be interesting to hear from both the Speaker of the Assembly and the Minority Leader on each party's priorities for the budget. On a federal level, the U.S. Chamber of Commerce will talk about issues of national importance, such as USMCA (the U.S. Mexico Canada Agreement), trade and tariffs and more.

###

### About the Waukesha County Business Alliance

Waukesha County Business Alliance is a countywide chamber of commerce with over 1,200 member companies, representing 75,000+ employees. The mission of the Alliance is to drive economic growth in Waukesha County. The Alliance provides opportunities for its members to advocate on behalf of the business community, develop themselves and their employees, network and build strong business relationships and promote their business.
