

Participating on a committee is a great way to build relationships, ensure that the Alliance is focusing on items of interest to the business community and advance the Alliance's vision to make Waukesha County the best place to do business.

POLICY COMMITTEES

ECONOMIC DEVELOPMENT

The economic development policy committee works to stimulate economic growth in the region by advocating for policies that promote a competitive tax and regulatory climate to retain, attract and create businesses and jobs. This committee also serves in an advisory capacity for the Waukesha County Center for Growth.

EDUCATION

The education policy committee addresses local, state and federal legislation and regulations to ensure students are being educated today to be successful in the jobs of tomorrow.

INFRASTRUCTURE

The infrastructure policy committee supports our region's economic vitality by addressing such critical issues as transportation safety, efficiency and funding; access to safe, sustainable water for citizens and businesses; and effective collaboration among local governments.

ADVISORY COMMITTEES

EDUCATION STEERING

The education steering committee develops, supports and promotes initiatives to ensure Waukesha County students are both college and career ready. This steering committee is supported by several action teams beneath it.

LEADERSHIP

The Leadership Waukesha County advisory committee evaluates the current leadership program, attends some sessions, makes recommendations for class content, promotes relationships between current students and alumni and assists with recruitment.

OTHER

AMBASSADORS

Ambassadors are well-versed and experienced members looking to be further involved with the Alliance. Ambassadors engage with other members at events & programs, assist the Alliance staff, and advocate for the organization and our mission.

THE BIG ONE

The BIG One golf outing brings together people of all golfing abilities for 18 holes and networking. The committee solicits sponsorships, golfers, volunteers and raffle donations, in addition to volunteering at the event in July.
