

Lou Kowieski
City of Oconomowoc

1. If elected, what would be your top three priorities?

- a. Funding for Public Safety (WLFDR referendum and additional OPD personnel)
- b. Addressing the City budget to accommodate for wage and inflation
- c. Focus on developing a partnered, regional economic development approach with our surrounding communities (Town of Oconomowoc, Village of Summit, Village of Lac LaBelle, Dousman).

2. How will you support economic growth in Waukesha County?

Work with our surrounding communities, Waukesha County Business Alliance, other County officials and organizations, the WEDC, and state tourism to further explore regional hub position for the City of Oconomowoc. Initiatives should align with family friendly, event driven, safe regional draw opportunities. I would also like to re-engage with the County and State to address workforce transportation to move entry level workforce into the Oconomowoc communities from Milwaukee and Eastern Waukesha County. I had started those conversations with Paul Decker a few years ago.

3. Why do you want to lead your community?

I want to lead my community forward with a comprehensive approach that adheres to a transparent and accountable format of local elected governance, to enhance a vision that provides process to continuously adjust to market forces and position long term growth and ensures our community remains the leading place to live, work and play in the Midwest. I believe I have the history and skills to achieve that leadership.
